

### CAPABILITIES STATEMENT

#### CORE COMPETENCIES

OMNI Solutions provides innovative laundry cleaning solutions and technologies to healthcare, hospitality and commercial institutions. OMNI's energy efficient products help on-premise and commercial businesses produce the cleanest, most hygienic laundry possible. The Omni Solutions portfolio includes the Smart Ultraviolet Light Advanced Oxidation System (SULAOS), LUX Hydroxyl System, Smart Laundry Products and Smart Housekeeping Concentrate Products. Using Earth-friendly, biodegradable cleaning solutions, OMNI Solutions' programs are designed to help laundries achieve high levels of cleanliness, decrease impact to the environment and cut operational costs.

#### LUX HYDROXYL SYSTEM CAPABILITIES

OMNI Solutions' LUX Hydroxyl System provides outstanding cleaning and disinfection, while significantly lowering utility costs. The LUX technology supercharges in-house laundry systems through Hydroxyl radicals. Hydroxyls are more stable at lower temperatures, reducing the need for hot water by 85%, or in some cases, eliminating the heating of laundry water altogether. The LUX Hydroxyl system is designed to work in tandem with OMNI Solutions biodegradable laundry products, working best in cooler water temperatures, reducing energy consumption, lowering utility costs, and resulting in significant sanitation and disinfection efficacy.

### THE BENEFITS OF LUX

 <p>ENERGY REDUCTION</p>	<p>REDUCE REWASH FREQUENCY BY</p> <p><b>50%</b></p>	<p>REDUCES CONTAMINANTS</p> <p><b>99.99%</b></p> <p>REDUCTION IN BACTERIA</p>	<p>EXTEND LINEN LIFE BY A MINIMUM OF</p> <p><b>20%</b></p>
<p>UP TO</p> <p><b>85%</b></p> <p>REDUCTION IN WATER HEATING</p>	<p>UP TO</p> <p><b>55%</b></p> <p>REDUCTION IN NATURAL GAS</p>	<p>UP TO</p> <p><b>5%</b></p> <p>REDUCTION IN ELECTRICITY</p>	<p>UP TO</p> <p><b>20%</b></p> <p>REDUCTION IN WATER CONSUMPTION</p>
<p>REMOVES ODOR AND STAINS THROUGH USE OF HYDROXYL RADICALS</p>	<p>IMPROVES OPERATIONAL EFFICIENCY IN THE FACILITY</p>	<p>REQUIRED SIGNAGE, SDS, AND SURVEY APPROVAL LETTERS INCLUDED</p>	<p>EQUIPMENT, INSTALLATION, SERVICE, PARTS, LABOR - <b>NO COST</b></p>

#### SPECIAL AWARDS/ RECOMMENDATIONS

Ranked in 'Top 10 Best New Technologies' at the 2017 Clean Show out of 500 vendors

2016 SoCal Gas Trade Professionals, "Trade Ally of the Year" Award

Ranked in Entrepreneur Magazine's Top 100 Best Companies of 2016

#### PAST PERFORMANCE

**Pentagon:** Total Annual Savings:  
Water: 376,680 gallons & \$3,766.80;  
Gas: 20,627.22 therms & \$24,752.67;  
Electrical: 5,317.32 kWh & \$372.21;  
Linen: \$2,250.00.

#### Golden Living Healthcare Three Oaks:

Water: 289,080 gallons & \$2,312.64; Gas: 12,797.81 therms & \$9,598.36; Electrical: 53,425.16 kWh & \$239.76; Linen: \$1,125.00.

**Kalahari Resorts, PA:** Total Savings:  
Water: 447,760 gallons & \$4,467.70;  
Gas: 24,845.76 therms & \$29,814.92;  
Electrical: 5,495.44 kWh & \$384.68;  
Linen: \$2,250.00.
